GOVERNMENT OF BOMBAY.

Finance Department.

Resolution No. 174-(B).

Bombay Castle, 21st December 1946.

Resolution- The following decisions in regard to the regulation of war (cost of living) allowance of Government servants subject to the rule-making control of the Government of Bombay are published for information and guidance;-

(1) War(cost of living) allowance during leave- In modification of clause(a) of Government Resolution No. 174-(B) dated 13th July 1946, as amended by Government Resolution No. 174-(B) dated 20th March 1946, war(cost of living) allowance will be admissible to officers during any period of leave outside India on average or half average pay other than leave preparatory to retirement. The allowance will be admissible at the rates sanctioned by Government from time to time during the entire period of leave ex-India and will be calculated on leave salary actually drawn. The allowance in respect of leave ex-India will be payable in the manner prescribed in Bombay Civil Services Rule 761 for the payment of leave salary. As regards leave in India, Burma, Ceylon, etc. the allowance will be admissible during the first four months of leave other than extraordinary leave on the conditions prescribed in clause(a) of Government Resolution No. 174-(B) dated 13th July 1946, irrespective of the particular leave rules by which an individual officer is governed. That clause already prescribes that war (cost of living) allowance will be admissible during the leave preparatory to retirement in India.

(2) Rate of war(cost of living) allowance during leave followed by transfer to a lower paid post-Clause (a) (ii) of Government Resolution No. 174(B), dated 13th July 1946 is to be interpreted literally even in cases in which the amount of war (cost of living) allowance in the post carrying a lower rate of pay to which a Government servant is expected to return on the expiry of the leave is greater than that to which he was entitled in the post from which he went on leave.

(3) Admissibility of war(cost of living) allowance during joining time after leave or on transfer to a post in a different rate of pay. In supersession of Government Resolution No. 174 dated 30th June 1945 so far as War (cost of living) allowance is concerned the admissibility of war (cost of living) allowance during joining time after leave will be determined with reference to its admissibility immediately before the commencement of the joining time. In the case of joining time falling under clause(a) of Bombay Civil Service Rule 79 the amount of the allowance will be based on the pay to which the Government servant is entitled during the period of joining time(vide Bombay Civil Services Rule101(a))

Slip "K" vide G.R.F.D.No 174 (B) dt 24-11-47

2 It has also been decided that the last sentence of paragraph (3) of Government Resolution, Finance Department, No. 174 (B) dated 21st December 1946, should be substituted by the following:-

" In the case of joining time under Bombay Civil Services Rule79(b) the allowance will be drawn at the same rate at which it was drawn the leave immediately before the commencement of the joining time, and in the case of joining time under Bombay Civil Services Rule 79(c) the allowance will be calculated on the joining time allowance."

3 These orders will apply to all officers proceeding on leave on or after 1st March 1947 and to officers on leave on 1st March 1947 in respect of the period of leave falling on or after 1st March 1947.

(4) Admissibility of war(cost of living) allowance to persons drawing varying rates of pay- The following should be substituted for clause(h) of Government Resolution No. 174-(E) dated 15th July 1945.-

"(h) War (Cost of living) allowance to persons drawing varying rates of pay:- In the case of persons drawing varying rates of pay in the course of a month, the admissibility as well as the amount of the allowance will as under clause(g) be determined by the emoluments drawn during each particular ~~xxxxxxx~~ broken period of a month"

2 The above orders will take effect from 1st April 1946 except that the orders relating to "war (cost of living) allowance during leave out of India" will come into effect from 1st January 1946 and will apply to earlier cases which have not yet been decided. Cases already decided will not be reopened.

The war allowance will be payable in the same manner as prescribed in Fundamental Rule 91 for the payment of leave salary".

(ii) Government of India, Finance Department, Office memorandum of even number dated 17th and 25th July 1946

"Copy of Office Memorandum from the Government of India, Finance Department No. F 11(3)-E II/46, dated the 17th July 1946, to all Departments of the Government of India, etc.

In continuation of the Finance Department Office Memorandum No. F 1(26)-W II/45, dated the 8th May 1945, the decisions taken on certain further points are set out below for information and guidance.

(I) War allowance during leave: Orders have been issued in this Department letter No. F.II(3) E II/46 dated the 6th July 1946, sanctioning the grant of war

allowance during the entire period of leave ex India. As regards leave in India, Burma, Ceylon etc. war allowance will be admissible during the first four months of leave other than extraordinary leave on the contitions set out in paragraph (a) (i) of the Finance Department Office Memorandum No. F.1(25)W II/45 dated the 8th May 1945, irrespective of the particular leave rules by which an individual officer is governed.

The question whether war allowance should be granted in India beyond the first four months of a period of leave is under consideration and a decision will be intimated in due course.

(2) Rate of war allowance during leave followed by transfer to a lower paid post. Paragraph (a)(ii) of the Office Memorandum dated the 8th May 1945 is to be interpreted literally.even in cases where the amount of war allowance in the post carrying a lower rate of pay to which he is expected to return on the expiry of the leave is greater than that to which he was entitled in the post from which he went on leave.

(3) Admissibility of war allowance during joining time after leave or on transfer to a post on a different rate of pay. The admissibility of war allowance during joining time after leave will be determined with reference to its admiss -ibility immediately before the commencement of the joining time.

In the cases of joining time falling under clause (a) or clause (d) of Fundamental Rule 105 or the corresponding Article in the C.S.R. the amount of the allowance will be based on the pay to which the Government servant is entitled during the period of the joining time (vide, Fundamental Rule 107(a) and (c) or the corresponding provisions in the C.S.R.). In the case of joining time under Fundamental Rule 105(b) or (c) or under the corresponding provisions of

the C.S.R. the amount of the allowance should be the same as that admissible under paragraph (a) (ii) of the Finance Department Office Memorandum dated the 8th May 1945, i.e. according as the officer is expected to return to a post (i) carrying the same or a higher rate of pay or (ii) a lower rate of pay.

(4) Admissibility of war allowance to persons drawing varying rates of pay. For paragraph (h) of the Finance Department office Memorandum of the 8th May 1945, the following shall be substituted. In the case of persons drawing varying rates of pay in the course of a month, the admissibility as well as the amount of the allowance will as under paragraph (g) be determined by the emoluments drawn during each particular broken period of a month.

(5) The decisions intimated in this office Memorandum will take effect from the 1st of April 1945 and will apply to earlier cases which have not yet been decided. Cases already decided will not be re-opened.

Copy of Office Memorandum from the Government of India, Finance Department No. 11(3)-E.II/46, dated the 25th July 1946 to all Departments of the Government of India, etc.

With reference to this Department Office Memorandum No. F.11(3)-E.II/46 dated the 17th July 1946 regarding the drawal of war allowance during leave, joining time etc. the undersigned is directed to state that for '1st April, 1945' occuring in paragraph (5) thereof, '1st April, 1946' should be substituted. The original date was mentioned through a typographical error.

(iii) Government of India, Finace Department, Office Memorandum No. F 11(3)-E 11/45 dated 8th May 1945.

With reference to the Finance Department Office Memorandum No. F.2(52)-W-44, dated the 25th September 1944, on the subject noted above, the undersigned is directed to state that, as several points have been raised with regard to the admissibility of the allowance and its amount, the decisions taken on them are set out below for information and guidance.

(a) DRAWING OF THE ALLOWANCE DURING LEAVE

(i) The allowance will be admissible during the first four months of leave, including leave preparatory to retirement, irrespective of the nature and the length of the leave, except that the allowance will not be admissible during extraordinary leave or leave out of India.

(ii) The allowance will be admissible at the rate at which the Government servant was drawing it immediately before proceeding on leave, but if he is expected to return, on the expiry of his leave, to a post carrying a lower rate of pay than the one from which he proceeded on leave, the allowance will be drawn at the rate admissible in the post to which he is expected to return.

A certificate stating whether or not there is likelihood of the Government servant's returning to a post carrying a lower rate of pay should invariably be embodied in the orders sanctioning the leave to the Government servant concerned.

(iii) Subject to the provisions above, the allowance will be admissible to Government servants who were on leave on the 1st July 1944 (the date from which the allowance came into force.)

(iv) Single officers who get married during leave will be eligible for the allowance at the rate admissible to married officers, from the date on which they return to duty on the expiry of the leave, and not from the date of marriage.

(b) WAR ALLOWANCE LIABLE TO INCOME-TAX.

The allowance is liable to income-tax under section 7 of the Indian Income tax Act, 1922. The tax should be deducted at sources at the time of payment of the allowance at the rate applicable to the estimated total income of the Government servant under the head "salaries"

including the war allowance. In cases where the tax has not been deducted from the allowance already paid, recovery should be made from the salary payable during the remaining months of the current financial year. Orders to this effect have already been issued by the Finance Department(Central Revenues) in their office memorandum No, 26(34)-I.T.-44 dered the 16th November 1944.

(c) WAR ALLOWANCE LIABLE TO RECOVERY OF HOUSE-RENT.

The allowance is being included at present in the term "emoluments" for the purpose of recovery of house-rent under Fundamental Rule 45-C; but the matter is being re-examined and a further communication will follow if a decision to the contrary is taken.

(d) WAR ALLOWANCE TO PERSONS IN RECEIPT OF CERTAIN EMOLUMENTS FROM FOREIGN GOVERNMENTS AND INDIAN STATES

Government servants, in receipt of any emoluments of the nature of pay, leave salary or pension from foreign Governments (e.g. Burma) or Indian States, in addition to pay from Government, will, subject to their total emoluments not exceeding the limit prescribed for eligibility for war allowance, draw the allowance on the basis of their pay from Government. For the purpose of this paragraph, pension as originally sanctioned, i.e. , before commutation, if any, should be taken into account.

(e) ADMISSIBILITY OF THE ALLOWANCE TO PERSONS ON FOREIGN SERVICE.

Government servants in foreign service may draw war allowance from the foreign employer on the basis of foreign service pay(excluding overseas pay), if the foreign employer is willing to bear the cost and provided that the rates of, as well as the monetary limits (including marginal adjustments) for the eligibility for, the allowance are not higher than those sanctioned for Government servants.

(f) ADMISSIBILITY WHILE ON DEPUTATION OUT OF INDIA

Government servants on deputation out of India for not longer than six months at a time, and drawing pay not exceeding the prescribed limits, may be allowed war allowance at the rate at which the allowance would have been drawn had the officer not proceeded on deputation. The allowance will not be admissible to officers posted ex-India to specific posts, e.g. , Government of India Trade Commissioners abroad.

(g) PAYMENT OF THE ALLOWANCE TO PERSONS APPOINTED DURING THE COURSE OF THE MONTH.

In the case of persons appointed in the course of a month, the eligibility for the allowance will be determined with reference to the monthly rate of pay on which the appointment is made, and the amount of the allowance will be proportionate to the number of days of actual service in that month.

EMR 16/5/56
4 Copies.

(h) ADMISSIBILITY TO PERSONS DRAWING VARYING RATES OF PAY.

Persons drawing varying rates of pay during the course of a month will be entitled to the allowance only if their total pay for the whole month is within the prescribed limits and be paid the allowance calculated on their total pay for that month.

(i) DEFINITION OF "PAY" FOR PURPOSES OF GRANT OF WAR ALLOWANCE.

The term "pay" for purposes of regulating the allowance will include basic pay, special pay and personal pay only, and will exclude all other payments which reckon as pay or which may be so classified under Fundamental Rule 9(21). Please see also Paragraphs (d) and (k).

(j) WAR ALLOWANCE TO BE ROUNDED TO THE NEAREST RUPEE.

In calculating the monthly rate of the allowance fractions of a rupee less than eight annas will be ignored and amounts of eight annas and more will count as one rupee. Past cases of payments in which calculations have been made otherwise need not be reopened.

(k) GRANT OF WAR ALLOWANCE TO RE-EMPLOYED PENSIONERS.

Retired Government servants who have been or may be reemployed and who are allowed to draw their pension in addition to pay will be eligible to draw the allowance, if their pay plus pension does not exceed the limits prescribed. In such cases, the amount of the allowance will be calculated on pay plus pension as originally sanctioned, i.e. before commutation, if any. For this purpose, only pension which is actually drawn will be taken into account and pension which is held in abeyance in full or in part will be ignored.

(l) ADMISSIBILITY TO PERSONS UNDER SUSPENSION.

Persons under suspension may be allowed to draw the war allowance at the rate at which they drew it prior to their being placed under suspension, or a portion of it, at the discretion of the authority competent to fix the subsistence grant during the period of suspension. In cases where a higher rate of subsistence grant than that admissible under Fundamental Rule 53(b) has been sanctioned, having regard to the present high cost of living, war allowance should not ordinarily be granted in addition.

(m) Grant to Gazetted Officers in receipt of Separation Allowance.

Married officers in receipt of separation allowance should be treated as "single" for purposes of the grant of war allowance and their allowance regulated accordingly.

(n) DRAWING OF THE ALLOWANCE WHERE BOTH THE HUSBAND AND THE WIFE ARE EMPLOYED.

No war allowance will be admissible to a married woman whose husband is in Government service whether he is paid from civil or defence estimates. A married woman holding a non-gazetted post whose husband is not in Government service is eligible for war allowance on certifying

that her husband is not a Government servant. A widow without children is eligible for war allowance if holding a gazetted post at the single rate, if a non-gazetted post and rate prescribed. A widow with a child or children will be eligible for the married rate if holding a gazetted post, otherwise for the non-gazetted rate. No recovery may be made if any payments have been made in the past otherwise than as indicated above.

(o) ADMISSIBILITY TO OFFICERS ON CONTRACT TERMS.

The war allowance may be granted to officers engaged on contract who may be otherwise eligible for it, irrespective of whether there is a provision in the contract for the grant to them of any concession of allowance of a general nature which may be sanctioned for officers of corresponding status in the regular service and subject to the condition that they have not already been allowed in the fixation of their pay an element of compensation to meet the war-time increase in the cost of living.

(p) ADMISSIBILITY TO OFFICERS OF AD HOC RATES OF PAY.

The war allowance will be admissible only to those officers on ad hoc rates of pay whose pay was fixed without taking into account any allowance drawn by them prior to their appointment on the ad hoc rate of pay, as compensation for the war-time increase in the cost of living.

(q) ADMISSIBILITY OF WAR ALLOWANCE TO MILITARY OFFICERS IN CIVIL EMPLOY.

Military officers in civil employ drawing civilian rates of pay will be eligible for the allowance, while military officers drawing military rates of pay and allowance will receive such increases as may be sanctioned for those who are serving in the Defence Forces. Orders to this effect have already been issued in this Department office memorandum No. F.2(52)-W/44, dated the 26th October 1944."

Below the application from Mr. D.B.Cokarn Officiatin typist for condoning the breaks in his service and granting him the benefit of the bonus sanctioned in G.R.P.D. No. 6261/33 d/-6-1-47

.....

No. 824 Office of the Government Pleader, High Court, Bombay Dated 19 March 1947.

Submitted to Government in the Legal Department for favourable consideration.

2 The facts stated in para 2 of the application are correct. But for his being overage, the applicant who has been temporarily appointed as an officiating typist might have been absorbed in a permanent post in this office in view of his aptitude for and experience of the work concerned with the High Court. The breaks in the applicants' service work up to only 28 days in a total period of 2 years 5 months and 24 days from 5-7-44 to 31-12-46(both days inclusive) Moreover, such cases are likely to occure and the amount involved is quite negligible. I therefore strongly recommend that the breaks in the service of Mr. Cokarn may be condoned and the F.D. may be moved to accord sanction to the payment of at least Rs. 110/- (for the actual period of duty including breaks) to the applicant as a special case.

Sir,

I, the undersigned D.B.Gokarn, beg leave to place the follo-ing few lines for your kind and sympathatic consi deration and necessary action.

2 I understand that the further measure of interim relie -f viz. bonus, kindly sanctioned by Government in G.R.P.D. No.6261/33 d/-6-1-1947 cannot be paid to me because I have not been "in continuous service" for not less than two years on 1-1-1947. Though technically I can not satisfy the condition, regarding continuous service I beg leave to submit that

1) I was first engaged in this office on 5-7-1944, from which date I have been continuelly in government service wit -h very short breaks in service.

ii) I was discharged, so far, four times because of the technical and administrative difficulty to retain me in service continuously as I was overage on first appointment and my discharge was not due to my fault -vide, in this conn ection copy of the certificate granted to me by your redece -sesor Mr. D.G. Deo.

iii) My total actual service on 1-1-1947 was 2 years and five months even excluding the periods of breaks-vide state ment attached.

3 I, therefore, humbly request that Government may kind -ly be moved to condone the breaks in my service as they were not due to my own volition, and to sanction the payment of the bonus to me.

For which act of kindness I shall ever remain grateful.

I beg to remain,
Sir,
Your most obedient servant,

This is to certify that Mr. D.P.Cokarn has been working in my office as a temporary clerk and typist since July 1944. He has been working very hard and quite satisfactorily. I found him to be an intelligent, smart and a conscientious worker. I can say without hesitation that if he is confirmed as a typist in my office, he will justify his appointment by dint of hard and efficient work. He is well conversant with the Criminal and Civil work as he has worked for nearly 10 years under an experienced and senior Advocate Mr. C... Kurdekhar.

The Secy., High Court, Bombay forwards application from Mr. D.T.Gokarn, an officiating typist in his office requesting to condone the breaks in his service for the purpose of taking the benefit of the bonus sanctioned in G.I., F.D. No. 6261/36, dated 6-1-1947.

It appears from the statement of the service of Mr. Gokarn that he had two short breaks in service (from 25-6-46 to 2-6-46 = 9 days and 12-12-46 = 1 day) in all 10 days, after 1-1-1945 the date from which continuous service counts for purpose of inter a bonus in accordance with the rates specified in para. 3(ii) of G.I., F.D. No. 6261/36, dated 16-1-1947. As it is Mr. Gokarn is entitled to get only for the period from 3rd to 31st December 1946 i.e. for one month ~~xxxx~~ only viz. Rs. 10/- In view of the A.F., H.C., High Court's remarks that the applicant who has been temporarily appointed as an officiating typist might have been absorbed in a permanent post in view of his aptitude for, and experience of the work connected with the High Court and his recommendation that as such cases are not likely to occur the amount involved is quite negligible, the breaks in the service may be condoned the papers may in the first instance be referred U.O. to the F.D. for favour of remarks.

The question under consideration on these papers is to condone break in service from 25-5-46 to 3-6-46, and on 12-12-46 of one Mr. Cokarn who is serving in the C.P. High Court, Bombay's office, for purposes of granting bonus to him.

2 As per orders issued in G.R. No. 6261/33 dated 6-1-1947 and 15-1-1947, Govt. sanctioned a grant of bonus to low-paid Govt. employees, subject to the fulfilment of certain conditions. One of the conditions prescribed was regarding continuous service. It is irrelevent why in a particular case, services of a Govt. servant had to be discontinued. The non-continuous service means that the particular Govt. servant cannot draw bonus admissible to those having rendered continuous service, It may also be pointed out that no special case in this respect can be made because there are bound to follow similar requests from others and thus the stipulation re; fulfillment or certain conditions would be null and void.

3 In view of the foregoing, the L.D. may be informed that there is no case for condoning break in service of Mr. C.

GOVERNMENT OF INDIA.

Finance Department.
New Delhi, the 13th March 1947.

Office Memorandum.

Subject- Cost of living (war) allowance during leave out of India.

With reference to this Department letter No. F 11 (3)-E.II/46 dated the 6th July 1946 the decisions taken on certain points relating to the admissibility of and the calculation of the amount of the cost of living (war) allowance during leave out of India are set out below for information and guidance.

(1) Admissibility and calculation of the amount of the allowance during leave— The admissibility of and the amount of the allowance during leave ex-India will be determined on the basis of the leave salary actually drawn (as clarified in paragraphs 6 and 8 below), irrespective of whether or not the officer was in receipt of the allowance while on duty immediately before proceeding on leave.

(2) Admissibility of the allowance to officers on leave on the 1st January 1946--In the case of the officers who were on leave ex-India on 1st January 1946, the allowance will be granted in accordance with this Department letter No. F.11 (3)-E.II/46, dated the 6th July 1946, (as clarified under these orders), for the period of leave from the 1st January 1946.

(3) Payment of the allowance in India to officers who proceeded on leave out of India and resumed duty prior to or just after the issue of the orders of 6th July 1946- in the case of officers who had proceeded on leave ex-India(on or after the 1st January 1946, or as in paragraph (2) above) and had resumed duty prior to the issue of the orders contained in this Department letter No. F.11(3)-E.II/46 dated the 6th July 1946 the payment of the allowance may be authorised in India without the specific sanction of the Governor General in Council or of the Governor of a Province as required under F.R.91(4). The orders in this paragraph will also apply to officers, who resumed duty on or after the 6th July1946, if the payment of the allowance during leave ex-India has not for been authorised to be made by the High Commissioner for India. The rate of exchange will be the rate prevailing on the date of payment.

(4)

(4) Admissibility of the allowance to officers spending a portion of leave preparatory to retirement in India-- In the case of officers who, while proceeding on leave ex-India preparatory to retirement, spend a portion of that leave in India, the allowance will be admissible for the period of leave spent in India not exceeding the first four months of such leave, which is the maximum period forthe grant of the allowance during leave in India preparatory to retirement (vide this Department Office Memorandum No. F.11(16)-E.II/46 dated the 11th December 1946)

(5) Incidence of the allowance--The allowance will be charged to the head "Allowances, Honararia, etc". , under the relevant Demand number if the payment is made in India. If the payment is made in England, the head will be "Leave Salaries and Deputation Pay" under "Charges in England".

The allowance will not be allcated, like leave salary , between various Governments, but will be treated as falling under item (3) of the preamble to Section B-II of Appendix 3 to Account Code, Volume I.

(6) Inclusion of the allowance in leave salary for purposes of maxima and minima under Fundamental Rules 89 and 90. The allowance shall not form part of "Leave salary" for purposes of determing the maxima and minima laid down in Fundamental Rules 89 and 90. Thus, a married officer drawing leave salary up to £ 112-10-0 per mensem will draw the cost of living allowance at the prescribed rates (viz. at 17½ per cent.of leave salary, subject to a minimum of Rs. 50 per mensem) Officers whose leave salary exceeds £112-10-0 per mensem but is less than £150 per mensem will draw the allowance at £19-15-0 per mensem with marginal adjustments for those drawing up to £169-15-0 per mensem. In cases where the minima in Fundamental Rule 90 operate, the allowance shall be calculated on the minima laid down therein reduced by that portion of the leave salary, on which the allowance will not be admissible under paragraph 8 below.

(7) Admissibility of the allowance during joining time on return from leave out of India---A reference is invited to paragraph (3) of this Department Office Memorandum No. F. 11(3)-E.II/46 dated the 17th July 1946, which contains the orders relating to the allowance admissible during joining time under Fundamental Rule 105(c). It has since been decided, in supersession of these orders, that during joining time under Fundamental Rule 105(c) the allowance will be calculated on the joining time allowance admissible in the same manner as on leave salary.

(8. Definition of "Pay" for purposes of calculation of cost of living allowance during leave ex-India.--In the case of leave ex-India, the allowance will be admitted on the basis of "leave salary" which for this purpose will comprise only those elements of "pay" which have been specified in paragraph (1) of this Department Office Memorandum No. F 1(25)-W-II/45 dated the 8th May 1945, for purposes of grant of cost of living allowance.

For example , the portion of leave salary which represents the element of sterling overseas pay, on the categories of "pay" (other than the basic, special or personal, pay) which one excluded for the purpose of the allowance, shall not be taken into account for the purpose of calculating the allowance admissible during leave ex-India.

These orders will have effect from 1st January 1946, but past cases in which payments might have already been made otherwise than in accordance with these orders, need not be re-opened.

Office Memorandum.

Subject:- Cost of living allowance (war allowance) during leave.

With reference to this Department Office Memorandum No. F. 11(16)-S-II/46 dated the 11th December 1946, regarding the drawal of the cost of living allowance by officers on leave in India, it has now been decided that the allowance, when it is admissible during leave, should be calculated on the actual leave salary drawn, irrespective of whether the leave is in India or outside. The undersigned is accordingly to request that the following may be substituted for sub-paragraph (i) to (iv) of paragraph (a) of this Department Office Memorandum No. F.1(23)-S.II/46 dated the 8th May 1945:-

(a) Drawing of the allowance during leave-

(i) The allowance may be drawn during any period of leave other than extraordinary leave in or outside India, except that, during leave preparatory to retirement, it will be admissible only for the first four months of such leave taken in India.

(ii) The cost of living allowance during leave will be based on the leave salary actually drawn both for purposes of monetary limits within which the allowance is admissible and for calculation of the amount of the allowance. Leave salary for this purpose will comprise only those elements of pay which have been specified in paragraph (i) of this Department Office Memorandum No. F.1(23) -S.II/46 dated the 8th May 1946 for purposes of grant of cost of living allowance. For example, the portion of leave salary which represents the element of sterling overseas pay on the categories of pay (other than the basic, special or personal pay) which are excluded for the purpose of the allowance shall not be taken into account for the purpose of calculating the amount of the allowance admissible during leave.

(iii) Single officers who get married during leave will be eligible for the allowance at the rate admissible to married officers only from the date on which they return to duty on the expiry of the leave, and not from the date of marriage."

2 It has also been decided that the last sentence of paragraph 3 of this Department Office Memorandum No. F.11(3)-S.II/46 dated the 17th July 1946 should be substituted by the following:-

" In the case of joining time under Fundamental Rule 108(b) the allowance will be drawn at the same rate at which it was drawn during the leave immediately before the commencement of the joining time and in the case of joining time under Fundamental Rule 108(c) the allowance will be calculated on the joining time allowance."

3 These orders will apply to all officers proceeding on leave on or after 1st March 1947, and to officers on leave on 1st March 1947, in respect of the period of leave falling on or after 1st March 1947.

This is regarding grant of certain allowances during the stay in Poona in connection with ensuing Assembly Services. It may however be pointed out that the A.L.R. and D.S. were entitled to the allowances under 3 of Appendix XVIII B.C.S. Rs. II so long as they were holding the charge as ex-office Secy. L.A. and Secy. L.C. respectively. Now that the D.S. and A.L.R. are no longer Ex-offices Secy. L.C. and Secy. L.A. on account of the separation of L.A. the offices from L.D., They are not entitled to the allowances under rule 3 and it is for consideration whether this fact should be brought with notice of the F.D. for purposes of determining allowances admissible to them.
